Description

6. Click **Content** and use **Insert Stuff** button to paste the Twitter Widget code.

7. Click **Enter Embed Code** and paste Twitter Widget code. Click **Next**.

8. Click **Insert**.

A screenshot of a software interface titled "Insert Stuff". On the left side, there is a vertical list of options: "My Computer", "Course Offering Files", "Insert Link", and "Enter Embed Code". The "Enter Embed Code" option is selected and highlighted with a yellow circle. On the right side, under the heading "Enter Embed Code Properties", there is a "Refresh Preview" button and a preview area showing "#photography Tweets". At the bottom of the dialog box, there are three buttons: "Insert", "Back", and "Cancel". The "Insert" button is highlighted with a yellow circle and has a mouse cursor pointing at it.

9. Click **Save and Close**.
