

How to Access the Mcgrawhill widget through D2L?

Once the faculty member logs in to the D2L course, They should find the widget on the right side at the bottom of the course home page.

Check the “Terms of Use” agreement statement and click on “Get Started” to connect with the McGrawhill Campus.

Selecting your Textbook

1. To help us provide you access to the educational materials which most closely correlate with your course, use the search feature to find the textbook you are using. Searching by ISBN will provide the most specific result, or you may also search by author, title or subject.

Tell us what book you are using and we will give you instant access to relevant educational materials.

FIND YOUR TEXTBOOK:

By Title, Author, or ISBN
[What's an ISBN?](#)

2. Once you find the textbook you are using, simply click “Select” to add it to your course.

CUSTOMIZE

connect

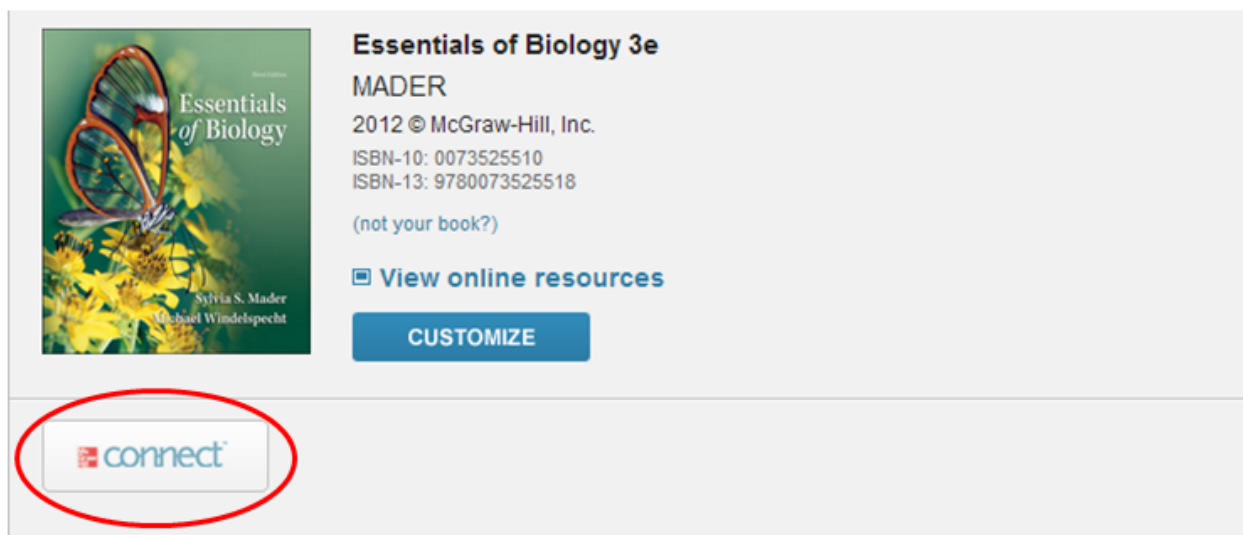

Available resources include test banks, instructor manuals, animations, PowerPoints, videos, quizzes, study guides and other learning tools and resources. Many of these items are available as downloadable files for easy use in class or for import to your Desire2Learn course.

Pairing Your Desire2Learn Course with McGraw-Hill Connect

In order for you and your students to begin using Connect via McGraw-Hill Campus you will need to complete the following brief initial setup and pairing process. Once you have completed this process, you will be instantly logged into Connect on subsequent visits.

Instructors who do not have an existing Connect account

1. When you click on the “Connect” link, a new window will open up to launch McGraw-Hill Connect

The screenshot shows the McGraw-Hill Connect interface for the textbook "Essentials of Biology 3e" by Sylvia S. Mader and Michael Windelspecht. The interface includes a book cover image, the title "Essentials of Biology 3e", the author "MADER", and the copyright information "2012 © McGraw-Hill, Inc.". It also lists the ISBN-10 (0073525510) and ISBN-13 (9780073525518). A link "(not your book?)" is present. Below the book information, there is a "View online resources" link and a "CUSTOMIZE" button. At the bottom of the interface, the McGraw-Hill Connect logo is circled in red.

2. If you have never used Connect before, click “No, I am new to Connect.”

The screenshot shows the McGraw-Hill Campus login screen. The logo "campus" is displayed next to the text "Welcome to McGraw-Hill Campus!". Below the logo, the question "HAVE YOU USED CONNECT BEFORE ?" is shown. Two buttons are visible: "No, I am new to Connect" (circled in red) and "Yes, I want to use my existing Connect account".

3. A Connect account will be instantly created for you along with a corresponding Connect course and section. Note that the name of the newly created Connect course matches that of your Desire2Learn course. Skip to the section labeled “Adopting Connect for use in my Course” to continue the setup process.

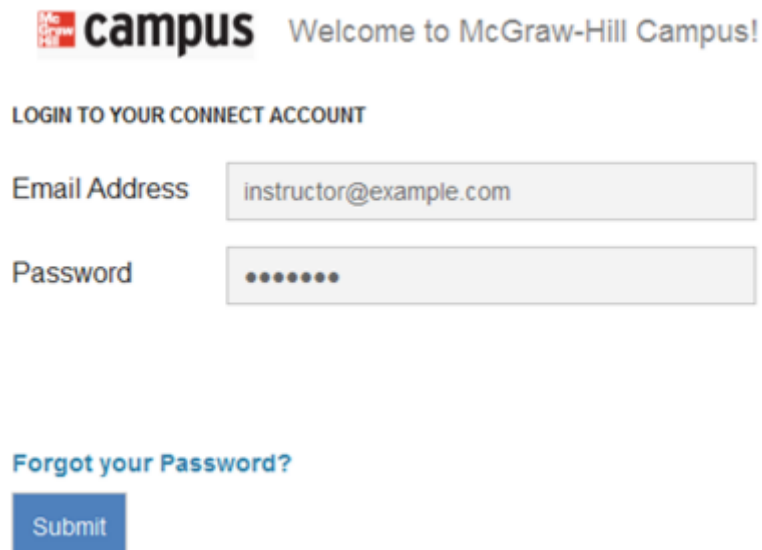

Instructors who do have an existing Connect Account

1. If you have used McGraw-Hill Connect before and know your account credentials, click “Yes, I want to use my existing Connect account.”

The image shows a login screen for McGraw-Hill Campus. At the top left is the McGraw-Hill logo, followed by the word "campus" in a bold, lowercase font. To the right of the logo is the text "Welcome to McGraw-Hill Campus!". Below this is the question "HAVE YOU USED CONNECT BEFORE ?". There are two blue buttons with white text: "No, I am new to Connect" and "Yes, I want to use my existing Connect account". A red hand-drawn oval highlights the second button.

2. Enter the email address and password for your existing Connect account (note, these are not your LMS login credentials) and click submit.

The image shows a login screen for McGraw-Hill Campus. At the top left is the McGraw-Hill logo, followed by the word "campus" in a bold, lowercase font. To the right of the logo is the text "Welcome to McGraw-Hill Campus!". Below this is the text "LOGIN TO YOUR CONNECT ACCOUNT". There are two input fields: "Email Address" with the text "instructor@example.com" and "Password" with seven dots. Below the input fields is the text "Forgot your Password?". At the bottom left is a blue button with the text "Submit".

3. You have the choice to pair your Desire2Learn course with a section in a new Connect course or a section in and existing Connect course.

Hi, Sample !

Pair your course with Connect

Biology 101

pair with **i** :

- A section in a **new** Connect course
- A section in an **existing** Connect course

If you choose “A section in a new Connect course,” a new Connect course and section will be created for you. Note that the name of the newly created Connect course matches that of your Desire2Learn course. Skip to the section labeled “Adopt Connect for my Course” to continue the setup process.
