

Understanding Quiz Attempts Part 1 in D2L

1. In D2L, select the course you intend to modify.
2. Select **Quizzes** on the Navigation bar.

Select Quizzes

3. Within Quizzes, click the triangle and select **Grade**. Note: Objective quiz answers can be auto-graded by Desire2Learn. Instructors are free to examine all quiz attempts, whether auto-graded or not.

4. View attempts by student, by attempt, or by question. Students and their attempts are shown at the bottom. Overall Grade is shown if attempts are marked as graded. Click on an attempt to view all answers submitted by the student.

Mark an attempt as **Graded (G)** to consider it as an official submission

Click **Save and Close**

8. Score now show an Overall Grade that was not present before.

The screenshot shows a Blackboard interface for a quiz titled "Grade Quiz - Introduction to Photography". The page has tabs for "Users", "Attempts", and "Questions", with "Attempts" selected. There are buttons for "Export to CSV file" and "Display Options". The "View By:" dropdown is set to "User" with an "Apply" button. A search bar is present with a "Search For:" label and a "Hide Search Options" link. The "Search In" section has checkboxes for "First Name", "Last Name", and "User ID", all of which are checked. The "Restrict to" dropdown is set to "Users who have completed an attempt". At the bottom right of the search area, there is a "20" per page selector. Below the search area is a table with columns: "First Name ▲, Last Name", "Completed", "Score", "Grade", and "Published". The table lists three users: GINA MORRIS, KRISTI DICKEY, and STACY JONES. Each user has an "attempt 1" row and an "overall grade (highest attempt)" row. GINA MORRIS has a score of 21/30 (70%) and a grade of 70%. KRISTI DICKEY has a score of 26.5/30 (88.33%) and a grade of 88.33%. STACY JONES has a score of 1/30 (3.33%) and a grade of 3.33%. The "overall grade" for STACY JONES is currently blank. At the bottom of the table, there are buttons for "Save and Close", "Save", and "Cancel", and another "20" per page selector.
