

## Updating a Single Quiz Question for All Students in D2L

1. In D2L, select the course you intend to modify.
2. Select **Quizzes** on the Navigation bar.

Select Quizzes

3. Within Quizzes, click the triangle and select **Grade**.

- Grade by User, Attempts, or individual Questions. Select the **Questions** tab. Click on **Update All Attempts** to edit all student score when re-grading a single question.
