*This rubric is in draft status, and cannot be used in assessments.*

Description

6. Analytic: Most common rubric type. Grade based on multiple criteria and levels of competency. Holistic: Grade the entire assignment as a whole, not by individual metrics. Choose number of criteria and levels of competency. Select a scoring method that fits your assessment goals for the assignment. Choose to hide scores from student view, or let students see their scores. Choose to allow rubric to be associated with competencies that you have set up.
