

Teaching and Learning Support Student Engagement, Student Success (405) 744-1000

## Creating a quiz in Canvas

After creating a question library, you can easily insert those questions into a quiz. Click Quizzes on the course navigation bar, and then click the +Quiz button to create a new quiz.

Enter a title for the quiz as well as any necessary instructions for students.

To add questions in the quiz click the "Questions" tab at the top of the page.

Institute for & Learning	Teaching Teaching and Learning Support Excellence (405) 744-1000
The left side of the screen shows individual question banks, and the right side shows questions within each bank. Select a bank, and then select the questions you want to import into the quiz.	
Find Quiz Question	
	View Course Question Banks
Aperture Photography 1123, 11 questions	Select All   Clear All Essay In 500 to 700 words, describe how you would determine which
ISO Photography 1123, 11 questions	aperture
Shutter Photography 1123, 11 questions	Which of the following aperture values results in the smallest lens Question A lens with a maximum aperture of f/1.4 would mean which of
	the
	A lens with an aperture of t/2.8 would be referred to as what type of lens?
Scroll down on the right side and click "Add Questions" to add them to the quiz. Choose a group, or create a new one, if you want the questions to reside in their own group in the quiz.
