

Setting up Clicker Registration Link on Canvas

- 1 Log into Canvas and open the appropriate course where you intend to use Clickers.

Note: Please contact helpdesk@okstate.edu in advance (at least a week before) to combine all the sections of the course to a combined course to setup the Clicker Registration link.

- 2 Select **Settings**. Open **Navigation** tab. Drag the TurningPoint item to the upper section of the items.

- 3 Your students will now see the TurningPoint link in the menu. Please refer your students to the student registration tutorial pdf.
