

Parking Instructions

Nursing Launch Party September 28, 2017

Lots 100 and 89 will not be ticketed after 4:30 on the day of this event, so you will not need to display a parking permit. Simply park in either lot and walk east. Willard is the building directly across Monroe Street after you exit the parking lots.

Please note that it is easier to access these lots from University Avenue, which runs alongside the south of campus. Monroe Street will have cross bars down until 5:00.

The Anderson Family Living room is located in the center of Willard's first floor.
